Sheep's wool insulation 100% pure nature

ISOLENAWOLLE

Healthy insulation provides more – naturally

-  Air purification, absorbing formaldehydes
-  Absorbs moisture
-  Natureplus certified, ecological renewable resources
-  Heat insulation - top thermal conductivity values
-  **IONIC PROTECT®** the new innovative woll protection

Poland valid from 9.4.2018

Pricelist_PL_V1

Premium - the best solution for thick insulation

Application: roof, wall, facade, ceiling, collar beam ceiling, wood frame construction;
compact sheep's wool insulation 20 kg/m³ 10 100 % pure nature

new technology -
for quick fitting with
thick insulation
